

Presence of an active Student Council & representation of students on academic & administrative bodies/committees of the institution

College creates a platform for the active participation of the students in the various academic & administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills.

Its selection, constitution, activities and funding:

- Each council has a chairperson and two or three faculty members and it includes student members too.
- The student representatives bring forward the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class.
- Each class has two students as class representative, out of which one is boy and another is girl. This method is followed in all classes.
- The Student Council helps students share ideas, interests, and concerns with lecturers and principal. They often also help raise funds for -wide activities, including social events, community projects, helping people in need and college reform.
- Various programs like paper presentations, workshops and seminars are organized by these bodies every year.

The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and non financial means during the last five years
